Breeze

Outdoor Collection

BREEZE is a collection of very simple, light, and comfortable outdoor furniture by GARDEN RABBIT. It wraps around your body like a breeze, brings relief and a bit of pleasure derived from the relaxation offered by this unaffected form. EPS ball-shaped polystyrene inside a furniture cover perfectly fits to every position of the body. BREEZE furniture perfectly matches garden relaxation in outdoor public areas.

BREEZE was developed with the utmost attention to detail. All finishing elements meet the requirements of the furniture intended use, making the BREEZE collection resistant to various weather conditions.

Seating

MADE IN

Poland

The BREEZE collection includes armchairs, chaise longues of various sizes and a pouffe. Various configurations and a wide range of available colors of upholstery fabrics makes it possible to freely arrange your own relaxation space in the garden and on the balcony. The pouffe can also be used as a coffee table. Furniture can be easily stored after the season. They can comfortably fit into any storage because of their loose form and light weight.

BREEZE chaise longue - long

TECHNICAL SPECIFICATIONS

MATERIALS AND WORKMANSHIP

Backrest filling: Styrofoam granules

Seat filling: Styrofoam granules

Hardness: medium-firm

Comments: Overall dimensions are indicative due to styrofoam granules filling.

Complet Furniture is a Polish brand producing upholstered furniture...

"Tradition you can feel in every detail."

Complet Furniture is more than just a furniture company. It is the story of the Chmielewski family, who have been translating passion and craftsmanship into every element of their furniture since 1989. Led by father Zbigniew and son Robert, our company embodies the fusion of tradition and modernity, where each piece of furniture is not only functional but also has a soul.

We are proud that our upholstered furniture, symbolizing quality and durability, represents Polish design in global markets. Welcome to a world where craftsmanship meets innovation, creating products that tell stories.
